Why study online?

There are many reasons why students choose to learn online including family, distance, skills, convenience, work needs etc.

Benefits include currency of information as resources are easily updated online, learning is self paced and self controlled – students decide when, where and how learning should take place and course costs are generally lower compared to class room sessions.

The self-directed nature of online learning can equip students with the skills and discipline needed for professional life.

Is online learning for you?

Online learners should be comfortable with internet browsing/searching, email, sending and reading attachments and word processing.

We are always there to help. Our telephones
